

Dear Coaches:

I hope you all had wonderful seasons this spring with your girls! I wanted to give you information on the summer GLAM camps that will be offered in your area. This is a great opportunity for your girls to get coaching experience from current Division I lacrosse players. Our goal is to provide middle school and high school players with the most current coaching techniques and philosophies of the game. The coaching staff will share their experiences from their lacrosse careers with the goal of improving the quality of girl's lacrosse in Michigan.

Our goal is to get at least fifteen girls to each session of the camp. If we get more than twenty per camp we will be adding more staff to keep our camper to coach ratio small. Please encourage your girls to sign up for the camp! I know when I was learning the game it would have been nice to be able to learn from someone who has played at a competitive collegiate level. The girls need to go to the GLAM website ([www.glamlax.org](http://www.glamlax.org)) in order to sign up and fill out a registration sheet. The sooner they sign up, the better planned each camp will be.

Thank you so much for your time and interest,

Mackenzie Lawler

GLAM Summer Camp Mail-in Registration
